## WORK EXPERIENCE

### Center For Kapampangan Studies

( 2022 Jul to 2023 Oct )

**Position:** Software Developer Intern Trainee  
**Specialization:** IT/Computer - Software Development  
**Industry:** Computer / Information Technology (Software)  
**Nature of Work:** During my internship at the Center for Kapampangan Studies, I actively contributed to web development projects promoting Kapampangan culture. Working collaboratively, I demonstrated strong communication skills, ensuring smooth workflow and successful outcomes. Proficient in web development frameworks like React.js and Laravel, I consistently delivered high-quality work, managed responsibilities efficiently, and thrived in an independent work environment, showcasing problem-solving skills and adaptability to meet project requirements.
